

Targeted Hygiene in practice

The 9 key moments when hygiene really matters are when you:

1.
Handle
food

2.
Eat with
your fingers

3.
Use the toilet
or change
a baby's nappy

4.
Cough,
sneeze and
blow your nose

5.
Touch surfaces
frequently touched
by others

6.
Handle and launder
dirty clothing and
household linens

7.
Care for
domestic animals

8.
Handle and
dispose of rubbish

9.
Care for an
infected family
member

Promoted & supported by:

CALL TO ACTION
If we practice good hygiene at each of these moments, this will deal with most of the risk of spread of infection in our homes.
